

Biformat Tensio is a screen designed to meet even the highest expectations in the home cinema market. This is achieved thanks to a technical profile and a unique tensioning system. Inside the same case are two distinct projection surfaces of different formats, bordered with special non-varnished anti-reflective black edges. These enable to enhance the contrast of the projected image much more effectively than traditional 3 cm edges.

In addition to being positioned in direct contact with each other, to avoid focus loss, the projection surfaces are fixed to the roller, in such a way as to eliminate all risks of annoying horizontal crease marks. Furthermore, the front drop of the surface and the vertical alignment of the rollers ensure planarity. The motorized rolling is controlled through a wall-mounted switch or an integrated radio receiver.

The case is white (RAL 9016), with brushed aluminium lateral ends, which completely mask the screws. Owing to the practical anchoring system, use is immediately possible.

All you need to do is choose among the available formats:

- > 1.33 NTSC PAL 4:3
- > 1.78 HDTV 16:9
- > 2.35 Cinemascope 21:9

All of them boast perfect tensioning, thanks to the classic tensioning system. Two elastic cables depart from the base and are threaded through dedicated same-size eyelets, placed along the sides of the screen: the arch that forms laterally ensures a harmonious aesthetic impact and a crease-free rolling, despite the presence of the eyelets.

See page **86**
for Technical data

Create your own screen with the PSS

- > **Personalized dimensions:** width
- > **Motor type:** standard motor
- > **Case:** available only with case
- > **Case color:** standard in White Gloss. Optional in any other color for an extra cost
- > **Standard Drop:** from 10 to 40 cm
- > **Projection surface fall:** front only
- > **Side of command/motor:** right only
- > **Special option:** Deco Print

Projection Surfaces (see page 6)

- > Reference White 2 / Reference Grey 2 / Reference White 2 Acoustik / Reference Grey 2 Acoustik
- > Ambient Grey 2 / Ambient Grey
- > Vision White / Vision White Pro
- > Vision Acoustik

Standard Accessories

- > Kit with wall or ceiling mount brackets
- > 2 unipolar switches

Optional Accessories

- > 2 Interfaces to drive the screen in radio frequency with remote control 2 channels (not included), 12V trigger, unipolar switch, dry contact or RS232
- > Receiver and infrared remote control
- > Extension brackets for screens up to 60 cm
